

Wisdom for Dating

Think over your past three relationships (or just dates). What were the positive qualities that you liked about the relationship or interaction? What were the not so positive qualities?

Situation One: _____

Positive:

Not So Positive:

Situation Two: _____

Positive:

Not So Positive:

Situation Three: _____

Positive:

Not So Positive:

Negotiables vs. Non-negotiable

What are the qualities or attributes in your future spouse that are negotiables (desires that are not deal-breakers), versus non-negotiables (expectations that are deal breakers). You can consult your list above if you need ideas.

Negotiables:

Non-negotiables:
